## **NUT BUTTERS**

**Pecan, Walnut, Cashew, Almond and Mixed Nut**

Ingredients: ALL ORGANIC Soaked & Dried "Crispy" Nuts (Pecans, Walnuts, Cashews, Almonds or Mixture of all of the above), Cold Pressed Coconut Oil, RAW locally grown Honey and salt

**We begin with our very own Soaked and Dried "Crispy" nuts and combine them with Coconut Oil, wonderful locally harvested RAW honey and a little salt to create a taste sensation.**

**Packaged in 11 oz jars, you should have enough to make sandwiches, to use as a dip for your favorite fruits or veggies and/or to serve on crackers or toast.**

**Store in the refrigerator then bring to room temperature to enjoy.**

**Our local customer Kath told us, "The nut butters are SO good, they should be considered an illegal substance!"**

*ANY of your favorite nuts can be soaked and dried and then used to make these delicious nut butters. Call us today to special order your favorite!*
